

PK CNC TOOLS

Mfg. of : All Type of VMC & CNC Tools

www.pkcncnctools.com

About us

P K Enterprises is a Delhi NCR (INDIA) Based Manufacturing Firm Established in 2014. PKE has its excellent manufacturing plant in Faridabad, Haryana and delivering its tools in Pan India. P K Enterprises Manufactures a wide range of CNC and VMC machine tools and accessories. We have solutions for indexing of cutting tools. We specialize in providing customized tooling solutions based on customer requirements and also manufacture a wide range of standard tools. Our team of skilled professionals with their expertise has been essential in producing effective solutions for tool industry. The high end machineries and equipment facilitate us in meeting customers need.

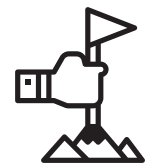

Our Manufacturing range includes

- Turning Tool Holders
- Parting & Grooving Tool Holders
- Face Grooving Tool Holders
- Turning Boring Bar
- Grooving Boring Bar
- Indexable Endmills & Facemills
- Indexable Chamfer Tools
- Micro Boring Bar, Boring Head
- U Drill and Core Drill
- Cylindrical Collet Chuck
- CNC & VMC Accessories etc.

Our Mission

Our mission is to increase manufacturing productivity for our customers and providing lowest tool cost.

Our Vision

Our vision is to design, manufacture and deliver high precision tooling solutions which meets customer's expectation.

Our Goal

To be the leading manufacturer of customized and standard tools and satisfy our customers.
